

MEMORIAL OUTPATIENT LABS & X-Ray

Memorial Hospital offers six convenient locations to have blood drawn for testing and 5 locations for X-Ray's. You are welcome to choose any office even if you are not a patient there. With daily pickups, your doctor will continue to receive results in a timely manner.

Please bring your insurance cards, photo ID, and physician order if one was given to you. It is also important that you follow instructions on what foods and medicines can be taken before having your blood drawn.
